Subject: Libby Appendix re NAS 2011
Attachments: Appendix J (Implementation of the 2011 NRC recommendations) v4 MR_DB_TB.docx

Lynn,

We have some time, given this is not needed for Monday's mailout to reviewers, but here is our take on the Appendix for Libby that characterizes implementation of the NAS 2011 recommendations. We patterned originally off of EtO, and then revised after reading benzo[a]pyrene.

If we could get review within about a week that would be great! (Draft attached below)

David

Appendix J
(Implementation ...)
